

MICHAEL JACKSON: A TRIBUTE

In the wake of Michael Jackson's death, the world went into mourning.

But as people began to deal with the news of his passing, attention turned to all that he had left the world. Michael Jackson: A Tribute celebrates the way Jackson's music has changed the world, and how his charity work has made it a better place.

Recovering from the shock of his death, we turn our attention on all that he has left the world.
